MEMORANDUM FOR: Assistant Deputy Director for Intelligence  
SUBJECT : Congressional Briefing

*21,*

In further follow-up on my note of yesterday regarding the briefing for the House Committee on Appropriations, the following question has also been suggested as a possible inquiry: What has been the flow of Soviet shipping into Haiphong harbor in the past six months and particularly since the conclusion of the Tet offensive? As you will recognize, this is a question that Mr. Lipscomb may very well inquire about. The Director is planning to meet with us on the budget presentation sometime Wednesday. I would appreciate your giving me a response to the earlier question and this one if possible by c. o. b. today.
